**Constance Hotels, Resorts & Golf welcomes the 'BMW GOLF CUP WORLD
FINAL 2022'**

The BMW Group has chosen Constance Belle Mare Plage in Mauritius as the idyllic setting for the final of its international amateur golf competition.

From 20 to 24 March 2022, golfers from 27 different countries will compete in the BMW Golf Cup World Final 2023. They will have the opportunity to play on the prestigious Links and Legend golf courses, which are part of the 5-star Constance Belle Mare Plage hotel in Mauritius.

For more than 30 years now, the BMW Group has been organizing its own golf competition called the 'BMW Golf Cup'. It is the largest series of international tournaments for amateur golfers. Since 1995, no less than 10,000 participants from countries all over the world have started dreaming of qualifying for the World Final.

This international final takes place every year in an exceptional environment, resulting in a professional-level tournament. And this year, Mauritius and Constance Belle Mare Plage have been selected for the first time.

Amateur golfers who have qualified for the World Final will have the incredible opportunity to fly to one of the most beautiful islands in the world: Mauritius.

They will spend an unforgettable week at the Constance Belle Mare Plage hotel, recognized as a 'European Tour Destination', which offers its guests two 18-hole championship golf courses named Links and Legend. The Legend course was even voted 'Indian Ocean Best Golf Course' at the 'World Golf Awards 2022'. It is simply a paradise for golfers of all levels offering spectacular landscape with views of the Indian Ocean and its turquoise lagoons as well as water features throughout the course. In addition, Links and Legend offer a top-class golfing experience with manicured fairways, challenging obstacles and excellent green keeping.

Special guests will be present including Stefan Ponikva 'BMW Vice President Brand Communication and Brand Experience'. Jo-Ann Strauss, BMW brand ambassador in South Africa. In addition Fanny Sunesson, the most talented female caddie in golf history will be on hand to advise and guide competitors.

The event will take place over six days with a programme including golf training, workshops led by the BMW marketing team, tournaments, dinners, exceptional evenings and much more. Participants will also have the opportunity to visit the island with several organized excursions and activities throughout the week.
